Things to do in Jersey.

Jersey's small size makes it easy to pack heaps of unforgettable experiences into a revitalising weekend or relaxing break. Stroll along beachside promenades with someone special as the tide laps up on the shore, fill a tote bag with artisan gifts over VAT-free shopping in St. Helier, take on sheer coastal walks that soar above tiny fishing ports and miles of sweeping coastline, then feel a sense of awe on headlands where Ice Age mammoths once roamed as you explore a 200,000 year history. It's all waiting to be discovered on an island near you.
